WARE VALLEY GARDENS

Spring 1940

Again we take this opportunity to thank our customers for their fine orders last Spring and to assure you of our constant endeavor to supply only the best bulbs in order to merit your continued patronage. To those who have not purchased from our list in the past we only ask that we be favored with a trial order this year. A trial of our young, strong, full of vigor bulbs will convince you of their superiority. Our list this year contains many new introductions not listed previously. These new varieties have grown well in our own fields this past season and are recommended to you for trial. Our stock is clean, healthy and free from disease and carefully fumigated in storgae. All orders are filled with a generous overcount and with extras for trial. We would appreciate your enclosing a list from which to select your extra bulbs.

GUARANTEE—All stock sent out is guaranteed true to name, any proving otherwise will be gladly replaced the following year or the purchase price refunded.

TERMS—Cash with order or 25% with order, balance C. O. D.

DISCOUNT—When cash in full is sent with order you may deduct 15% cash discount or select extra bulbs for the same amount.

SHIPMENT—At prices quoted in the General List all orders are shipped **PRE-PAID** by express or parcel post.

May we have the pleasure of serving you this year.
